

FRIENDS UNIVERSITY

Friends University seeks applicants for a tenure-track faculty position in Mathematics with duties beginning August 1, 2009. Candidates should be prepared to teach courses in mathematics in the Program for Adult College Education (PACE). A Master's degree in Mathematics is required; Ph.D. preferred. Ideal candidates will have four years experience, an understanding of adult teaching and learning principles, experience in course design and curriculum development, and familiarity with Blackboard or similar instructional technology.
