Established in 1964 as Pennsylvania's first community college, HACC is now a multi-campus institution offering a variety of degree, certificate and diploma programs that prepare students for the job market or continuing studies at a four-year institution. The college also plays a vital role in improving the quality of life in Central Pennsylvania by providing high-quality, low-cost educational opportunities, strengthening the local economy, training the region's workforce, and sharing our cultural and educational resources with the community to enable people to make the most of their potential.

The College Campuses are located in Harrisburg, Lebanon, Lancaster, Gettysburg, and York, PA. Full- and part-time student enrollment is over 19,000 with more than 55,000 served in noncredit courses.
