

# POSITION ANNOUNCEMENT

REQUISITION #2009089

TITLE: FT Faculty-Transfer Level Math

APPLICATION DEADLINE DATE: June 5, 2009

The Department of Mathematics and Physics at Northwest Arkansas Community College invites applications for a full-time mathematics instructor beginning August, 2009.

## **Specific Duties:**

Responsibilities include teaching 15 hours of mathematics, primarily transfer level with some developmental math assignments, at a variety of locations. Other duties include holding 10 office hours per week, attending appropriate meetings, serving on both departmental and college wide committees, and other duties as assigned by the Mathematics Department.

## **Minimum Qualifications:**

Masters degree in mathematics or related field with at least 18 graduate hours in mathematics. Two years college teaching experience is required. Other job related education and/or experience may be substituted for the two years college teaching experience on the approval of the reviewing committee.

## **Preferred Knowledge or Experience:**

Demonstrated commitment to teaching mathematics using a variety of techniques and motivations is required. Experience teaching with technology such as products for computer assisted and on-line delivery of instruction is desired. Also desired is experience teaching compressed video or other distance learning formats.

## **Salary & Benefits:**

Full-time 9 month position

Faculty Scale, commensurate with education and experience
