

AMATYC Membership Rates for 2008

In 2007, the AMATYC membership approved a process by which annual regular AMATYC membership dues are set every two years by applying the Consumer Price Index – Urban Consumers (CPI-U) for the last two years to the current dues and rounding up to the nearest dollar. This adjusted rate is set at the Fall Board meeting in odd-numbered years with the change taking place on July 1 of the following even-numbered year.

The new rates effective July 1, 2008 are:

Individual membership: 1 year = \$80; 2 years = \$155; 3 years = \$225
Life Membership = \$1,600
Adjunct membership = \$40
Retired membership = \$40
Student membership = \$10

Institutional membership remains at \$455, the currently published rate, and does not change until 2009.

You may wish to renew your membership even if it expires later this year as well as consider purchasing an additional year or two at the current rates. If you wish to pay by credit card, the online membership application and renewal link, please visit the AMATYC website at <http://www.amatyc.org/Join-AMATYC/index.htm>. The secured online application link is located at the bottom of the page. If you wish to send payment by regular mail, then you may download and print an application form; the mailing address for the office appears at the top of the printed form. Or, you may fax the renewal or application form to the AMATYC Office at 901.333.4651 if you prefer to pay by credit card and not use the online system.
